Dear Ms. Wright,

Per my voicemail to you this afternoon, June 10, 2002, I am enclosing herewith a *corrected copy* of the cover letter Mr. Lynch drafted to you on June 4, 2002. I sent it out to you on Friday with at least one grievous editorial error, which is on page 2, number 3, sentence ending "...to IMM-Dworkin Holdings LTD. asserting". This sentence was not complete, and I did not catch that before the letter went out. Please pardon this lack of diligence on my part. This copy is intended to correct that mistake and replace all preceding copies of Mr. Lynch's letter addressed to you dated June 4, 2002.

Thank you for your consideration.

Sincerely,

Joy R. Sias
